

Cabbage Patch Kids: Adventures in the Park (ColecoVision)

A rather simplistic *Pitfall*-like game starring one of the Cabbage Patch Kids, notable for being Konami's very first licensed game (something they'd become *very* known for a couple of years later). It was also released on the MSX in Japan without the license as *Athletic Land*.

Unused Text

Some unused game completion and credits text can be found at **0x04DE**. This appears to be a leftover from the Japanese MSX version, in which these credits are used after clearing Scene 90 Stage 99.
